

RECORDING ROBINS

In many places robins are a welcome sign of spring. Look for robins in your neighborhood and keep a record of what you observe.

Keep a Record!

Date _____ Time _____

Location _____

Weather _____

Helpful Things to Take Along:

- Sketchbook
- Binoculars
- Camera

Can you spot a robin? Draw it in the box below.

After you watch the robin for a while, record some of the things you see it doing. Check off the behaviors you see. Then describe what you observed in your own words.

- Sitting in a tree _____
- Hopping on the ground _____
- Digging _____
- Pulling up a worm _____
- Building a nest _____
- Singing _____
- Hanging out with other robins _____
